### Master Cheif Adventere

It was a bad day for the main character of halo. He and his group were surrounded by covenant people whos guns were going "PEW PEW PEW BANG CHATP ZAPP" MASTER chiefs guns however were also shooting bac. the battel wnet on fur ours but finnally master chsesf got his team together and they were going to kill the aliens but they were taught aliens with green blood. Master Chief also had a pet kitten that was waiting for him to feed himm which ws y meraster schief ghad to hurry becaues if the kitten wasnt fed it would die. It was also the princesses kiteenand masrte schef said lets go team and then he got in the jeep from halo and shto his rocket luncherat a lot. Noone died thef first time and everyone around him was ascarded because they were thinking that thd rockte luncher wanst afreetive agenst aliens. But he said we only have 10 minutes until teh ktten dies!!!! The priinuce would die without her kitten. And MC said to Kasper(ME) "USE youre gun that shoots fast" And I got up and shot teh covenantnt aliens and ran out. the convneant people and they all yelld aaaaa and some died but one was still alive adn master chief came over too him and said lights out bithc and chot iim in the hed and then there wer no more convaneatn people because Master chief made them all died.ONE HOUR LATER With him gaining vocitroy, master chief then when back to base whree he went and got a bath and fed the ktient its meal. The princess and masdter chief got ihn loved because masdter chief was getting godo at taking cares of thingsl They got married and I wsa thebest man at the wedding where they got married in a space church and right where they were about to kiss. Johnson, on of theeteam members, broke into the spaec church and sed "I got bad news Guysl!! The Coventlant Are attacking het princesssss howse" And then mi and master chef said"UH OH" at the same time because we new we had to fite again.
